

GOLDILOCKS AND THE EXTREME HOME MAKEOVER

SCENE 1

CHORUS-A long time ago in the deep, dark woods lived a family of three bears.
Their cottage was old and very run down,
but they were happy there. They were happy there.

PAPA BEAR-The day is young, it has just begun. I am feeling rather hungry.
Let's go Baby Bear to the table.
Then maybe we'll watch some cable.

BABY BEAR- (Still in bed) Do I have to? Do I have to?

CHORUS- Hurry, hurry, don't be late.
Delicious food is on your plate.

PAPA BEAR- I know it's hard. Our beds are warm,
But if you wait, I just have to warn you
I will eat your soup right up,
Then you'll have nothing but your cup!

CHORUS- Hurry, hurry, don't be late.
The soup is done...(sniff) It sure smells great!

(Baby Bear yawns a huge, growly yawn and goes to the kitchen.)

MAMA BEAR-Come on cub, let's eat some grub. We need to hurry fast before the day
has passed.

(They all sit down and take a bite.)

ALL BEARS- Hh-h-h-h-hot!! We feel like we just swallowed the pot
That came right off the burning flames.

MAMA BEAR- Don't look at me! I'm not to blame!

PAPA BEAR-(Attempting to smooth things over.) Why don't we go for a walk?

BABY BEAR-(Singing with a lisp) My taste buds are so burned, I can hardly talk!

MAMA BEAR- (Ignoring Baby Bear) Wonderful! When we return,
I am sure the soup will no longer burn.

MAMA BEAR-Get your coat and get your shoes! We'll go the way Baby Bear will

choose.

ALL BEARS- (Baby Bear still singing with a lisp.) Off we go, we're all in tow, over the river and through the wood. With not a care and sweet, fresh air, our day can only be good.

CHORUS- So off they wander through the trees,
Watching ladybugs and bees,
Hoping, as they take a stroll,
Their 3-Alarm soup will finally cool.

(Enter Goldilocks)

GOLDILOCKS-I'm so scared! I'm all alone.

I'm lost. I wish I had a phone.

I will look, look, look until I find somewhere to be.

Oh look ahead, a cottage I see.

It looks run down, but I don't care. I just want to nap in there.

(She opens the door)

Oh, what luck! There's food here, too.

It seems like days since I had stew.

(Eats Baby Bear's soup)

(Touches Baby Bear's chair and it falls apart)

I'll skip the chair and find a bed.

Somewhere nice to lay my head.

(Finds Baby Bear's bed)

What a mess! It smells like mold!

But when you're tired, any bed is gold.

This house sure needs an overhaul.

But right now into bed...I'll....(snores loudly)

CHORUS-Hush little Goldilocks, don't you... cry,
we're going to sing you a lullaby.

We know you're sad without mom and dad,

But this song will cheer you up just a tad.

Hmm... (To the tune of Hush Little Baby)

SCENE 2

MAMA- Wasn't that walk lovely, dears?

OTHER 2 BEARS- We're really hungry, terribly hungry.

MAMA-Oh my! It looks like someone's here!

OTHERS- We're really hungry, terribly hungry....What?!

BABY-My soup is gone! My chair's a heap! And now it's in my bed, asleep!

PAPA-Wake up, little girl, you're not our guest!
How dare you come in to eat, sit and rest!

GOLDDILOCKS-Eeek! Three bears! Leave, I must!
A...a...achoo! Sorry! It's all this dust.
Your house here needs a lot of help!

BEARS- Grrrr!

GOLDDILOCKS- I was just leaving! (Exits)
How I miss my Mom and Dad.
This is the worst day I have ever had.
First broken chairs and mold so green--
Wow, look! The Extreme Home Makeover Team!
Help me, I am lost, but first...
I know a place that needs the works!

EXTREME TEAM-We're here to serve those that do deserve.
Please tell us where and we will go there.

GOLDDILOCKS-Over the river and through the woods, that's where cottage lies. In the house lives three bears with old, broken chairs and lots of dirt and flies...
(She waves them on and then disappears)

EXTREME TEAM-
#1 Come on team, we'll take a peek.
Sh... Sh... Shh we have to sneak.

#2 You weren't kidding! Holy Cow! That poor house needs a face lift now!

#3 The first thing to do is to lure them from home. How 'bout a lovely trip to Rome?

#4 Or maybe to Hawaii fair. That's it!.....Let's send them there!

#5 A 7-day vacation....that's what this family needs. And while they play we'll work all day and give them a surprise indeed.

#6 Can we makeover a house that quick?

#7 Oh yes, with help from Old Saint Nick!

ALL BUT #7 Old Saint Nick?! (Builder #7 shrugs and smiles)

#8 Here are the tickets, they say "You have won! You're guaranteed a week of fun!"
(They put it in the mailbox)

(The next morning)

BABY-Yahoo! (Chanting) We've won a vacation! We've won a vacation!

MAMA & PAPA- Give it here! Give it here!

ALL- (Look at each other...) Aaaaaaah! (Give big bear hugs and start throwing things into suitcases)

Hats and sandals, loads of sunscreen, towels and bathing suits.

Watch out, islands, here we come to eat exotic fruits!

What a scream! It's a dream! Can't believe it's true!

MAMA- Do you think our house is safe?

PAPA- I'm not worried.

BABY BEAR- I'm not worried.

ALL- We're not worried....

MAMA- Hey, what about our stew?

ALL- (Spoken) Nah!! (Exit house)

SCENE 3

EXTREME TEAM-

#1 Where oh where do we begin? I can hardly believe we're starting a project again.

#2 It's okay, it's alright . We'll try real hard to not to stay up all night.

#3 I think we should tear it down, and then send part of the team to town.

#4 They can buy furniture, pictures, too.

ALL- Just you wait until we're through.

#5 Okay team, let her rip.

CHORUS-Rip, Rip, Rip it down

Team, Team, go to town.

Half will do the dirty work.

For those, the grime is just a perk.

The other half will do the shopping,

Finding stuff will keep them hopping.

In no time, no time at all,

This house will be the "Belle of the Ball."

EXTREME TEAM-

#6 The plans look just like this you see. Over here the little swing set will be.

#7 For mama bear a sewing room, for papa bear, his own sink for grooming.

CHORUS-Can you believe the work of this team?

In no time at all this place will gleam.

Won't the three bears be surprised,

To find out who did this!

I wonder where the bears are now?

Maybe surfing, "Cowabunga!"

Or maybe they are catching rays.

What a way to spend seven days!

EXTREME TEAM-One day is through, there's still plenty more to do.

#8 Keep working! No rest! We have to give our very best!

CHORUS- For seven days and nights they toil.

Building walls and laying soil.

Finally, day seven comes,

And no matter the weather.
The bears will be returning home,
So they must put things back together.

#9 The furnishers are coming; they've bought a ton, I sure hope they had lots of fun.

ALL- This is it, the final day. Time to put our tools away.
We can hardly wait to see their faces,
Let's hope they visited lots of places.
Baby bear will love his room,
Mama will never have to touch a broom,
And Papa bear will squeal and shout
When he sees what we've done, both inside and out.

SCENE 4

(Hawaiian Music plays to open the scene. The Three Bears are in lounging/lawn chairs with sunglasses, hats, fans, Hawaiian shirts, and cool drinks.)

CHORUS- Welcome, friends, to the Island of the Black Pearl.
Come and play, let your senses twist and whirl.
Gentle waters brought you to our land so fair.
Leave the past behind and in our bounty share.

MAMA BEAR- Who'd have thought we'd have such luck?
I thought in the forest we'd forever be stuck.

PAPA BEAR- Oh mama, this is just so neat,
although I've been embarrassed about my hairy feet.

BABY BEAR- I can't believe it's almost done.
You know, I don't really want to go home.

ALL- We all agree, it's hard to leave
The people are so nice!
They bring us poi and coconuts,
And fruity, shaved ice.

MAMA- Still, all the same, it will good,
To get back home to our regular routine. (They all sigh)

CHORUS- The beach is nice, the sand is soft.
Let the island beauty around you waft.
The magic here will entrance.
Come with us and learn a dance.

(Hawaiian Stick Dance)

(Sing "Aloha" song as Islanders depart with all the props and leave the bears with just their suitcases)

BEARS-We can hardly believe it is over,
It's been so fun to see
The splendor and the magic
Of this island full of mystery.
Back to life we must go.
Our memories endure.
And when our final flower fades,
We'll still be changed for sure.

(Baby bawls as they leave the stage)

SCENE 5

CHORUS-We are done and we've had fun
(echo) We are done and we've had fun
We just hope they like it too

(echo) We just hope they like it too
Baby bear will laugh and scream
(echo) Baby bear will laugh and scream
Mama and Papa will think it's a dream
(echo) Mama and Papa will think it's a dream
Sound off
(echo) 1, 2
Sound off
(echo) 3, 4
(everyone) Sound off 1 2 3 4!

EXTREME TEAM-

#1 It's amazing we got done in a week.

#2 Yea-I can hardly wait until they're here to take a peek!

#3 Don't you think that they'll be so surprised?

#4 They'll love that it is super-sized!

GOLDBLOCKS-Wait, I think hear them! Quick hide! Make the lights dim!!

(3 bears are coming through the forest)

BABY-Mama, it was sure nice to play at the beach. I loved their parks. I wish I had something like that to play on at home.

MAMA-Oh my little one, it was lots of fun, so why don't you mention it to Papa? He is strong and could build you one.

PAPA-Oh Mama, you give me too much credit!

Bears-(looking at the commotion ahead)-Something sure looks funny up there. Do you think the circus showed up here?

BABY-Mama, Papa, do you hear the noise? Maybe we got neighbors with lots of toys.

CHORUS-Welcome, welcome happy bears, (In soul style)

We know we've caught you unaware.

We felt you needed a new place.

Now we can't wait to see your face.

EXTREME TEAM-Okay team "MOVE THAT BUS"!!!!

BABY-Mama, Papa, is THAT our house?

(BABY cries)

(MAMA cries)

(PAPA cries)

MAMA-Oh me, oh my, I hate to cry, but I am just thrilled. I just feel sooooo fulfilled.

PAPA-The vacation was really enough for us. I can hardly believe you've made all of this fuss!!

GOLDDILOCKS-I admit I am to blame. I'm the reason that they came. I am sorry I broke into your house. I know I acted like a louse! I wanted to make it up to you, especially because I ate all of your stew. Forgive me?

BEARS- Of course! (They all hug)

EXTREME TEAM-This is why we come to town, to make sure you're never down.

We will give our very best, to put your house fears all to rest.

Our only hope is that you do, something nice for others, too.

The moral we will leave tonight...is take what's wrong and make it right!
