OVERTURE (Track 1) All lights up

HIPPIE (Track 2) Spotlight on her

Welcome! I'm so glad you came! There's a story that happened a long time ago. It's the story of my great-great-great-Grandmother, Snow White. She was a princess and had seven sisters.

All lights up SR

They were very beautiful
and had such funny clothes.
They used their manners all the time
and had nice, pretty bows.

They combed their hair, smiled, said "Hi"
They were royal and so kind.
Eating with forks and knives and spoons;
Princesses who used their minds.

(Go directly to Track 3...there is lots of empty silence between tracks)

Every morning, they greeted their mom and dad in the castle. They shared a great big bedroom. Their mornings started like this:

All lights up

KING & QUEEN

Anastasia, Cinderella, Fay, Gwen, and Lyssa
Rapunzel, Sleeping Beauty, and Snow White.

Good morning!

PRINCESSES

Good morning!
It's a great day to go out.
It's a sunny day, a funny day,
No time to pout.

KING

Good morning, my dears! Breakfast is almost ready.

QUEEN

Did you sleep well?

PRINCESSES

Oh yes! Oh yes!

Our sleeping was the best.

Because the maids cleaned up

Our bedroom's not a mess.

QUEEN

Before you come to breakfast

Wash up

Make your bed

Put on a dress,

It can be red.

PRINCESSES

Okay! We'll do it!

It's not hard, there's nothing to it!

(Track 4-DANCE...so turn it up)

HIPPIE (Track 5) All lights off, spotlight on her

Deep in the mountains behind the castle, there lived a bad witch and a bad wizard and their pet dragon. They had an evil plan.

All red lights up and spotlight USC

WITCH, WIZARD, & DRAGON

We don't like the princesses

Or the queen and king.

They're so good, and we're so bad

We hate it when they sing.

Let's go down and cast a spell

On those princesses.

We'll make them argue, fight and shout

Until the kingdom kicks them out!

(Track 6)

WIZARD

Kazaam! Wazaam! Kazoo!
We'll cast a spell on you.

WITCH

We'll make you argue.
We'll make you fight
From the time you wake up
Until it is night.

DRAGON

We'll make you mean,
You'll claw and bite.
You'll feel like your shoes are too tight.

WITCH, WIZARD, & DRAGON

Kaboom! Waazing! Kazung!
Your happy days are done!

All lights down. Spotlight on Hippie

(Track 7)

HIPPIE

The evil villains laughed and left the castle. Suddenly, the peace of the happy family started to melt. The fighting began.

All lights up

ANASTASIA

You stole stuff out of my closet!

CINDERELLA

You stole my pretty shoes!

FAY

Hey, you stole my diamond dress!

GWEN

You took the daily news!

LYSSA

I just know you stole my purse!

RAPUNZEL

I know you took my earrings!

SLEEPING BEAUTY

You stole my sparkly glasses!

SNOW WHITE

You all stole everything!

PRINCESSES

We don't like each other

We'll scream and yell and shout and fight.

We've all become big stinkers

We'll argue lots, both day and night!

(Track 8)

HIPPIE

When the king and queen came back to check on their beautiful daughters, they had a very unpleasant surprise.

(Queen screams and faints)

KING

Stop this arguing! Stop it now! Are any of you listening? Look what you've done to your mother!

(King helps the queen up off the floor)

QUEEN

I can't believe that my girls are arguing! What a terrible thing!

(King and Queen die. They are carried out by the princesses, still arguing.)

(Track 9)

HIPPIE

What a terrible day that the princesses were so deep in the evil spell that they couldn't even be sad when the king and queen fell down and died. The princesses had 2 pet cats named Jacques and Jill. Because the girls were so annoying and mean, the cats decided to run away.

All lights to blue, amber, and green. Spotlight on cats CS

CATS

We are sad, not very glad.
We are sad, we don't get attention.
We are mad 'cause we have to leave.
It's so bad, there's nothing to mention.

(Cats leave)

Spot follow princesses as they enter

SNOW WHITE

Oh no! Where are my cats?

SLEEPING BEAUTY

Your cats?

RAPUNZEL

How rude!

LYSSA:

They're our cats!

GWEN

No, they're my cats!

(All girls start arguing again. Snow White sneaks away.)

ANASTASIA:
Where's Snow White?

FAY
I'm going to go look for her.
RAPUNZEL
No, I am!

CINDERELLA
I bet she went into the woods.

GWEN
I can get there first!

ALL
Nuh uh! I will!

(They all run off)

Only red lights up. Spotlight on mountain USC

(Track 10)

WITCH
I'm tired of waiting for those princesses to get thrown out of the kingdom.

WIZARD
I'm bored! What's taking so long?

WITCH
They should be kicked out by now.

DRAGON
Look! I see the princesses out of the castle. What are they doing?

WITCH
Oh, who cares! This could be our chance to capture them.

WIZARD

Siegfried, go take a net and trap those grouchy girls.

WITCH

Then bring them to the nearest cave and block it with your huge body! C'mon. You and I will take over the castle!

Lights back to amber, green, and blue. Spot follow dragon

(Track 11-DANCE...turn it up)

(Track 12)

DRAGON **Keep spot on dragon**

I caught you! I caught you!

I'm so glad I caught you!

You are trapped and in my net.

Now there's no way you'll find your pets.

Now we'll fly to the cave

On the mountain top.

Even if you scream and cry

I will never stop.

HIPPIE **Spot on Hippie**

So the dragon flew off to the cave and blocked it. The princesses were sad and yelled, and argued of course, but nobody heard them. Lucky for them, Jacques and Jill noticed when the princesses got caught. They went to go get some help.

(Track 13)

JACQUES **Spot follow action**

This forest is dark and scary!

JILL

The trees look mean and hairy!

JACQUES

None of this is funny!

JILL

Oh, look! I see a bunny!

BOTH

Bunny, can you help us?
Our princesses are locked up!

BUNNY

Hop like me to my owner. She is picking berries over here. She can help you.

CATS

Oh, nice girl with the bright red cape.
How do we help our friends escape?
They are stuck in a cave up high.
We want to help, but we can't fly.

GIRL

There are two that live in here
That can help them out of there.
They are two fairies with shiny wings.
They can do lots of magic things.

Dewdrop and Dustwing are their names.
They are great at rescue games.
Follow my bunny into the wood
He will take you to the fairies good.

(Track 14)

HIPPIE

So the cats followed the girl's pet bunny deeper into the forest.
After awhile, they came to where the fairies lived.

BUNNY

Here are the fairies. They are here to help you.

CATS

Can you help us? Our owners are in trouble. Do you have anyone that can save them?

FAIRIES

We can send the superheroes from the future to save them.

Kazoo! Kazaam! Wham!
The warriors shall appear.
From the future call them
Through the magic mirror.

Ah, there's the superheroes.
They are coming to serve.
They look nice and good.
They have muscles and nerve.

Kazoo! Kazaam! Wham!

All lights up

(Track 15-DANCE...turn it up)

(Track 16)

SUPERHEROES

No need to fear!
The superheroes are here!
We will go and save someone.
We will save the world.

We are strong, we are brave.
And we will save the princesses from the cave.
We will tie the bad guys up
And we will all be saved.

(Track 17)

NINJA

You nasty dragon, you!

POLICEMAN

You move right now!

DARTH VADER

Get away from that cave!

PECOS BILL

I'll lasso you with my rope, mean old dragon!

POWER RANGER

We're not scared of you!

SUPERMAN

We are tougher than you!

BATMAN

Leave right away!

ALL

Put 'em up!

DRAGON **Spotlight with red gel on dragon**

I'll breathe my fire out on you

Until you're crispy brown

I'll belly slam the bunch of you

And that will make you frown.

SUPERHEROES

We know what to do!

We'll scare this guy away!

We have a little spider

That will scare him until Monday. **Spotlight off**

(Track 18)

(To princesses)

Hooray! Hooray!

We've freed you today!

Go run away very fast
In case that dragon ever comes back!

PRINCESSES

(Taking turns)

I wanna go out first! Let me!

No, I want to be first! No, me!

Me first! Me first!

Outta my way!

(They bump into each other at the cave entrance and can't get out)

SUPERHEROES

Oh, brother!

Stop arguing and let's go.

That dragon's coming back, you know.

(Girls are still arguing)

Arrgh! This is hopeless. They can just stay here.

We'll go down to the castle where the witch and wizard are hiding.

(Track 19)

Come out! Come out! Wherever you are!

We'll tie you down and put you in bars.

WITCH & WIZARD

Nyah nyah nyah...

We're not gonna come out!

SUPERHEROES

Let's throw some stink bombs over the wall of the castle. That will make them come out.

(Track 20-DANCE...turn it up) Lights to amber, yellow, and red

(Track 21)

ALL All lights up

The spell is broken, no more bad guys.

No more arguing, now everyone is nice.

We are happy, we are not sad.
We worked things out, now we are glad.

SUPERHEROES

Time for us to go home
Bye! Bye! See ya!

PRINCESSES

Thanks for saving all of us!
You're great! Thank you!

ALL

Things are fixed and all made right, Hooray! Hooray!
We'll do our jobs and never fight! Hooray! Hooray!

(Track 22)

HIPPIE [Spotlight on Hippie](#)

So you see, my dear friends.
Everything was good in the end.
And they all learned a big thing, too.
Arguing is never good for you!

(Track 23-BOWS...turn it up)
